REQUEST FOR STAY-SUPPLEMENT

KMCE, Inc., licensee of low power television broadcast station KMCE-LP, Monterey, CA, by its attorney ("KMCE" or "Petitioner") on June 19, 2009, submitted a requests for stay of the processing through to grants of any and all applications, submitted pursuant to the Notice of Proposed Rule Making in this proceeding, 23 FCC Rcd 18534 (2008), and the staff's Public Notice, DA 08-2818 released on December 30, 2008. Reference was made in the caption to applications having the prefix BDRTCT- and a printout was supplied of applications as of that date, reported in CDBS.

It has come to our attention that like applications by noncommercial, educational broadcast stations are assigned a different prefix, viz. BDRTET. Nothing distinguishes these proposals from the commercial ones, and the basis for requesting a stay is exactly the same. By this supplement we seek their inclusion *seriatim* in the stay request. A CDBS report, downloaded today and attached, shows eleven such applications to date.

Respectfully submitted,

Michael Couzens,
Attorney for KMCE, Inc.
